Instructions to Tenderer

A .

1 General

1.1 **Name of the Work:** As indicated in 'Appendix to Tender'.

1.2 "A bidder in the capacity of Individual or Sole Proprietor, Partnership Firm, or Company can participate in the tender and the bidder must forward attested copies of the constitution of its firm such as partnership deed, Memorandum & Articles of Association, etc. along with original Power of Attorney of authorized signatory".

1.3 The work is proposed to be executed under the following relationship.

A) Employer : DFCCIL address as given in 'Appendix to Tender'.

B) Contractor : The successful tenderer to whom the work is awarded shall become the contractor for the execution of this work.

1.4 Throughout these bidding documents, the terms "bid" and "tender" and their derivatives ("bidder"/"tenderer"), "bid/tendered", "bidding"/"tendering", etc.) are synonymous. Day means calendar day. Singular also means plural.

1.5 Scope of Work as indicated in 'Appendix to Tender'.

Hiring of vehicles (6 Nos Non A.C) for DFCCIL Staff in connection with the BHAPUR-KHURJA section of APL-1 Project of DFCCIL for Kanpur office for period of 12 months.

The scope given above is only indicative. The detailed scope has been described in the tender documents (Special condition of contract at clause no 4.0).

1.6 Approximate Estimated cost of the work is as indicated in the 'Appendix to Tender.'

1.7 Tenderers may carefully note that they are liable to be disqualified at any time during tendering process in case any of the information furnished by them is not found to be true. In addition the EMD of such tenderer shall be forfeited. The decision of Employer in this respect shall be final and binding.

1.8 A bidder shall submit only one bid in the capacity of an Individual or Sole Proprietor, Partnership firm, Joint Venture or Company. Violation of this condition is liable to disqualify the tenders in which such bidder has participated and EMD of all such tenderers shall stand forfeited.

2 Cost of Bidding

2.1 The bidder shall bear all costs associated with the preparation and submission of the bid and the Employer will in no case be responsible or liable for these costs regardless of the conduct or the outcome of the bidding process.

B. The Bidding Documents

3 Content of bidding documents

3.1 The bidding documents include the following:

Notice Inviting Tender
Instructions to tenderers
Appendix to Tender
Form of Bid
Special Conditions of Contract
Special Terms and Conditions
General Conditions of Contract
Financial bid and Bill of Quantities

3.2 The bidder is expected to examine all instructions, terms, conditions, forms, specifications and other information in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the bidders' risk and may result in rejection of his bid.

4.0 Understanding and Amendment of Tender Documents

4.1 The bidder must obtain for itself on its own responsibility and its own cost all the information including risks, contingencies & other circumstances in execution of the work. It shall also carefully read and understand all its obligations & liabilities given in tender documents.

4.2 The bidder is advised to visit and examine the site where the work is to be executed and its surroundings or other areas as deemed fit by the bidder and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and execution of the contract. The cost of visiting the site and collecting relevant data shall be at the bidder's own expenses. It is a condition of the tender that the tenderer is deemed to have visited the site and satisfied himself with all the conditions prevailing including any difficulties for executing the work.

4.3 At any time prior to the deadline for submission of bids, Employer may for any reason whether at its own initiative or in response to any request by any prospective bidder amend the bidding documents by issuing Corrigendum, which shall be part of the Tender documents. The amendment shall be advised to all the prospective bidders.

4.4 Employer may at its discretion extend the deadline for submission of the bids at any time before the time of submission of the bids.

C. Preparation of the Bids

5 Language of Bid

5.1 The bid prepared by the bidder and all documents related to the bid shall be written in English.

6 Signing of All Bid papers and Completing Bill of Quantities

6.1 All the pages of the tender documents, drawings and Bill of Quantities submitted by tenderer shall be signed and stamped by the tenderer or his representative holding the Power of Attorney (Enclose original Power of Attorney).

- 6.2 While filling up the rates in the Bill of Quantities, tenderer shall ensure that there is no discrepancy in the rates mentioned in figures and words. In case of any discrepancy, the unit rate mentioned in the words shall be taken as final and binding.
- 6.3 The tenderer must fill and submit the prices as per instructions given in Bill of Quantities. He shall not make any addition or alteration in the tender documents. The requisite details should be filled in by the tenderer wherever required in the documents. Incomplete tender or tender not submitted as per instructions is liable to be rejected. If a tenderer does not quote a price/rate for any BOQ item, his tender shall be summarily rejected.
- 6.4 The tenderer must ensure that tender documents shall be submitted in two separate **properly sealed packets viz Packet I containing Technical Bid and Packet II containing Financial bid**. Detailed credential as per requirement of eligibility criteria and all tender papers except Bill of Quantities are to be submitted in “**Technical bid**”. Bills of Quantities with rates duly filled in are to be submitted in “**Financial Bid**”.

7 Deviations

- 7.1 The tenderer should clearly read and understand all the terms and conditions, specifications, drawings, etc. mentioned in the original tender documents. If the tenderer has any observations, the same may be indicated in his forwarding letter along with the tender. Tenderers are advised not to make any corrections, additions or alterations in the in his own entries the same shall be initialed and stamped by him. If this condition is not complied with, tender is liable to be rejected.

8 Transfer of tender documents

Transfer of tender documents purchased by one intending tenderer to another tenderer is not permissible. Tenderer can submit tender only on the documents purchased by him.

9 Earnest Money

- 9.1 The tenderer must furnish the Earnest Money as indicated in 'Appendix to Tender' for the work as specified failing which the tender shall be summarily rejected. The Earnest Money may be in any one of the following forms:

- a) Pay Order/Demand Draft of any Scheduled Bank in India in favour of DFCCIL payable at a place as given in Appendix to Tender.
- b) By a Fixed Deposit Receipt issued by any Scheduled Bank in India in favour of DFCCIL.

No interest shall be allowed on Earnest Money Deposit in case the same is deposited in the form of Pay Order/Demand Draft.

9.2 Forfeiture of Earnest Money:

9.2.1 The Earnest Money of the tenderer shall be forfeited if he withdraws his tender during the period of tender validity specified in the “Appendix to Tender” or extended validity period as agreed to in writing by the tenderer.

9.2.2 The Earnest Money of the successful tenderer is liable to be forfeited if he fails to:

- sign the Contract Agreement in accordance with the terms of the tender, or
- furnish Performance Guarantee in accordance with the terms of the tender, or
- Commence the work within the time period stipulated in the tender.

- If the Earnest Money Deposit is in the form of Fixed Deposit Receipt (FDR), the FDR shall be returned after deduction of an equivalent amount from the first on account bill and further deduction of retention money from the bills shall commence after adjusting this EMD amount.
- If the Earnest Money Deposit (EMD) is in the form of Demand Draft/Pay Order, the same shall be retained towards retention money and further deduction of retention money from the bills shall commence after adjusting this EMD amount.

10 Period of validity of the tender

10.1 The tender shall remain valid for the period indicated in “Appendix to Tender” after the date of the opening of the tender. If the Tenderer gives validity period less than that fixed/prescribed by Employer, the tender shall be liable to be rejected.

10.2 Notwithstanding the above clause, Employer may solicit the tenderers’ consent to an extension of the validity period of the tender. The request and the response shall be made in writing.

D. Submission of Bids

11 Deadline for submission of tender

11.1 The tender duly filled must be received by Employer at the address specified not later than the date and time mentioned in the “Notice Inviting Tender”.

11.2 A tender received later than the deadline prescribed for submission of tender by Employer is liable to be rejected.

11.3 Tenders brought to the office of Employer later than the deadline prescribed but before the opening time mentioned in the bidding document shall be declared as delayed tenders and may be considered by Employer and decided on its merits. The decision of the Employer shall be final and binding.

11.4 Any tender received after opening of the tender shall be rejected and returned unopened to the tenderer.

12 Withdrawal of tender

No tender can be withdrawn after submission and during tender validity period.

13 Submission of a tender by a tenderer implies that he had read all the tender documents including amendments if any, visited the site and has made himself aware of the scope and specifications of the work to be done, local conditions and other factors having any bearing on the execution of the work.

14 Sealing and marking of tenders

14.1 The tenders shall be submitted on or before the due date and time with all the relevant documents as mentioned in **Para 3.1** and the following:

- a) Forwarding letter of the tenderer.
- b) Documents to be submitted as per checklist (**Annexure –II**)
- c) Earnest Money Deposit along with in Technical bid in separate envelop.
- d) The Bill of Quantities with prices quoted.

14.2 Earnest Money and all other completed tender documents shall be sealed in an envelope super scribed with the name of the work as indicated in “Appendix to Tender”.

In addition to the above, the envelope shall also contain the name and address of the tenderer to enable tender to be returned unopened if so required.

E. Bid opening and Evaluation

15 Opening of the tender

15.1 Tenders will be opened at the address mentioned in “Notice Inviting Tender” in presence of tenderers or authorized representatives of tenderers who wish to attend the opening of tenders.

15.2 Tenderers or their authorized representatives who are present shall sign register in evidence of their attendance.

15.3 Tenderer’s name, presence or absence of requisite Earnest Money, total cost of work quoted or any other details as Employer may consider appropriate will be announced and recorded at the time of bid opening.

16 Clarification of the tenders

16.1 To assist the examination, evaluation and comparison of the tenders, Employer may at his discretion ask the tenderers for any clarifications as considered essential. All such correspondence shall be in writing and no change in price or substance of the tender shall be sought or permitted. The above clarification for submission of the details shall form part of the tender and shall be binding on tenderer.

17 Preliminary examination of bids

- 17.1 The Employer shall examine the bids to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed and whether the bids are generally in order.
- 17.2 Arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the rate in words shall prevail.
- 17.3 Prior to the detailed evaluation, Employer shall determine whether each bid is of acceptable quality, is generally complete and is substantially responsive to the bidding documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions and specifications of the bidding documents without material deviations, objections, conditionality or reservation. A material deviation, objections, conditionality or reservation is one:
- i) That affects in any substantial way the scope, quality or performance of the contract.
 - ii) That limits in any substantial way, inconsistent with the bidding documents, the Employers' rights or the successful Bidder's obligations under the contracts; or
 - iii) Whose rectification would unfairly affect the competitive position of other Bidders who are presenting substantially responsive bids.
- 17.4 If a bid is not substantially responsive, it shall be rejected by the Employer.
- 17.5 In case of tenders containing any conditions or deviations or reservations about contents of tender document, Employer may ask for withdrawal of such conditions/deviations/reservations. If the tenderer does not withdraw such conditions/deviations/ reservations, the tender shall be treated as non responsive. Employer's decision regarding responsiveness or non-responsiveness of a tender shall be final and binding.

18 Evaluation and comparison of tenders

- 18.1 In case of open tenders, bids, which are determined as substantially responsive, shall be evaluated based on criteria as given in **Eligibility Criteria" and as given in Annexure-I of Notice Inviting Tender**. The tenderer must submit all necessary authentic data with necessary supporting certificates of the various items of evaluation criteria failing which his tender is liable to be rejected.
- 18.2 The Employer/Engineer reserves the right to negotiate the offer submitted by the tenderer to withdraw certain conditions or to bring down the rates to a reasonable level. The tenderer must note that during negotiations of rates of items of BOQ can only be reduced and not increased by the tenderer. In case the tenderer introduces any new condition or increases rates of any item of BOQ, his negotiated offer is liable to be rejected and the original offer shall remain valid and binding on him.

19 Canvassing

- 19.1 No tenderer is permitted to canvass to Employer on any matter relating to this tender. Any tenderer found doing so may be disqualified and his bid may be

rejected.

20. Right to accept any tender or reject all tenders

Employer/Engineer reserves the right to accept, split, divide, negotiate, cancel or reject any tender or to annul and reject all tenders at any time prior to the award of the contract without incurring any liability to the affected tenderers or any obligation to inform affected tenderer, the grounds of such action.

21. If the tenderer, as individual or as a partner of partnership firm, expires after the submission of his tender but before award of work, the Employer/Engineer shall deem such tender as invalid.

22. Award of Contract

22.1 Employer/Engineer shall notify the successful tenderer in writing by a Registered Letter/Courier/Speed Post or per bearer that his tender has been accepted.

22.2 Letter of Acceptance after it is signed by the Contractor in token of his acceptance shall constitute a legal and binding contract between Employer/Engineer and the contractor till such time the contract agreement is signed.

- 9.4.1.3 All payments to the Contractor shall be made by above means only unless specifically otherwise agreed by the Engineer in special circumstances for petty payments.

10.0 FORCE MAJEURE CLAUSE

If at any time, during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reason of any war, hostility, acts of public enemy, civil commotion, sabotage, serious loss or damage by fire, explosions, epidemics, strikes, lockouts or acts of God (hereinafter referred to 'events') provided, notice of the happening of any such event is given by either party to the other within 30 days from the date of occurrence thereof, neither party shall by reason of such event, be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such non-performance or delay in performance, and services under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist, and decision of the Engineer as to whether the services have been so resumed or not shall be final and conclusive, PROVIDED FURTHER that if the performance in whole or in part of any obligation under this contract is prevented or delayed by reason of any such event for a period exceeding **120 days**, either party may at its option terminate the contract by giving notice to the other party.

10.1 Subject to any requirement in the contract as to completion of any portion or portions of the services before completion of the whole, the Contractor shall fully and finally complete the whole of the services comprised in the contract (with such modifications as may be directed under conditions of this contract) by the date entered in the contract or extended date in terms of the following clauses:-

- (i) If any modifications have been ordered which in the opinion of the Engineer have materially increased the magnitude of the work, then such extension of the contracted date of completion may be granted as shall appear to the Engineer to be reasonable in the circumstances, provided moreover that the Contractor shall be responsible for requesting such extension of the date as may be considered necessary as soon as the cause thereof shall arise and in any case not less than one month before the expiry of the date fixed for completion of the works / services.
- (ii) If in the opinion of the Engineer the progress of work has any time been delayed by any act or neglect of DFCCIL's employees or by other

contractor employed by DFCCIL or in executing the work not forming part of the contract but on which Contractor's performance necessarily depends or by reason of proceeding taken or threatened by or dispute with adjoining or neighbouring owners or public authority arising otherwise through the Contractor's own default etc. or by the delay authorised by the Engineer pending arbitration or in consequences of the Contractor not having received in due time necessary instructions from DFCCIL for which he shall have specially applied in writing to the Engineer or his authorised representative then upon happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the Engineer within 15 days of such happening but shall nevertheless make constantly his best endeavours to bring down or make good the delay and shall do all that may be reasonably required for him to the satisfaction of the Engineer to proceed with the works / services. The Contractor may also indicate the period for which the services are likely to be delayed and shall be bound to ask for necessary extension of time. The engineer on receipt of such request from the Contractor shall consider the same and shall grant such extension of time as in his opinion is reasonable having regard to the nature and period of delay and the type and quantum of work affected thereby. No other compensation shall be payable for services so carried forward to the extended period of time, the same rates, terms and conditions of contract being applicable as if such extended period of time was originally in the original contract itself.

- (iii) In the event of any failure or delay by DFCCIL to provide the necessary drawings or instructions or any other delay caused by DFCCIL due to any other cause whatsoever, then such failure or delay shall in no way affect or vitiate the contract or alter the character thereof or entitle the Contractor to damages or compensation therefore, but in any such case, DFCCIL may grant such extension or extensions of the completion date as may be considered reasonable.

9.2 Extension of time for delay due to Contractor.

The time for providing vehicle services specified in the contract documents shall be deemed to be the essence of the contract and the services must be completed not later than the date(s) as specified in the contract. If the Contractor fails to complete the services within the time as specified in the contract for the reasons other than the reasons specified in **clause 10.0 and 10.1**, DFCCIL may, if satisfied that the services can be completed by the Contractor within reasonable short time thereafter, allow the Contractor further extension of time as the Engineer may decide. On such extension, DFCCIL will be entitled without prejudice to any other right and remedy available on that behalf, to recover from the Contractor as agreed damages and not by way of penalty a sum equivalent to 0.5% of the contract value of the services for each week or part of the week subject to maximum of 5% of contract value.

For the purpose of this clause, the contract value of the services shall be taken as value of work as per contract agreement including any supplementary work order/contract agreement issued.

Provided further, that if DFCCIL is not satisfied that the services can be completed by the Contractor and in the event of failure on the part of the Contractor to complete the services within further extension of time allowed as aforesaid, DFCCIL shall be entitled, without prejudice to any other right or remedy available in that behalf, to appropriate the Contractor's security deposit and rescind/terminate the contract under relevant clause of these conditions whether or not actual damage is caused by such default.

11.0 VARIATION IN QUANTITY FOR WORKS / SERVICES

11.1 The DFCCIL reserve the right to alter the designs and drawings. If due to change in drawing or design or any other reasons, there be variations, either increase or decrease in quantities, payment will be made for actual quantities executed at the accepted rates. If there be sufficient cause, the DFCCIL may grant an extension for the date of completion suitably. Such circumstances, shall, in no way affect or vitiate the contract to alter the character thereof, or entitle the Contractor to damages or compensation therefore except as provided for in this tender.

The quantities of items shown in the bill of quantities are approximate, and liable to vary during the actual execution of the services. The Contractor shall be bound to carry out and complete the stipulated services, irrespective of the variations in individual items, specified in the bill of quantities.

- 11.2.1 Such variations in quantities shall be paid for in the manner laid down below:
- (a) Operation of an item by more than 125 % of an agreement quantity needs approval of competent authority. Quantities operated up to 125 % of the agreement quantity of concerned item shall be paid at the rate awarded for that item in the particular tender.
 - (b) Quantities operated in excess of 125 % but up to 140 % of the agreement quantity of concerned item shall be paid at 98 % of the rate awarded for that item in that particular tender.
 - (c) Quantities operated in excess of 140 % but up to 150 % of the agreement quantity of concerned item shall be paid at 96 % of the rate awarded for that item in that particular tender..
 - (d) Variation in quantities of individual items beyond 150% will be prohibited and would be permitted only in exceptional unavoidable circumstances with the concurrence of associate finance and shall be paid 96 % of the rate awarded for that item on the overall contract value.
 - (e) Decrease in quantity of individual items up to 50% due to site conditions shall not be ground for revision of rates or claim on this account. Decrease in individual items beyond 50 % rate shall be negotiated between the Engineer and the Contractor.

- (f) The above limit for variation of rates according to increase /decrease of quantity shall not be applicable for item B & C of accepted financial offer.

12.0 PRICE VARIATION CLAUSE:

Rates granted for monthly usage should exclude the dead mileage i.e. garage to point of duty and back, which should not be part of the overall Kilometrage. Price variation on acceptable rates will be considered due to the increase/ decrease in the Price of the fuel in the manner as mentioned in below paragraph. Base price of fuel at Kanpur on the date of commencement of work will be considered for price variation calculation. Base price will also get revised after the effect of subsequent revision of price. The revision will be effective from date of notification by the Govt. for increase/ decrease in fuel price.

- i. In case of increase/ decrease in price of fuel less than 10 % (at a time or with commutative effect) of the base price (at Kanpur), no variation shall be applicable on the accepted rates.
- ii. In case of increase / decrease in the price of fuel for more than or equal to 10 % (Ten) (at a time or with commutative effect) of the base price, price variation @2.5% (Two Point Five) (Increase/ Decrease) per day per vehicle for item No A(1) of accepted financial offer will be effected for calculation of rate.
- iii. No Price variation will be calculated for item B (1) & C (1) of accepted financial offer i.e on extra charges for running of vehicle per Km over item no A (1) above.

13.0 RETENTION MONEY:

Retention money for all contracts shall be recovered from on account/ final bills of the Contractor at 10% of gross value of each bill after adjusting EMD amount till the amount so recovered including EMD amount adds up to 5% of the contract value of the work etc. variation and extra work.

No interest shall be payable to the Contractor on the amount retained in cash towards retention money.

14.0 RELEASE OF RETENTION MONEY:

- i) The Retention Money shall be released to the Contractor after preparation of final bill and acceptance of the same by the Contractor and after the expiry of the defect liability period specified in the Contract, reckoned from the date on which the Engineer shall have issued the Certificate of Completion comprising the whole of works.
- ii) If requested by the Contractor, 50% of the Retention money may be

released on deduction of retention money reaching 5% of the contract value against submission of Bank Guarantee for an equivalent amount by the Contractor in the prescribed Proformas from any scheduled Bank. This Bank Guarantee shall be kept valid till the period of three months beyond the expiry of Defect Liability Period. Fixed Deposit Receipt (FDR) from a scheduled bank endorsed in favour of the Employer can be submitted by the Contractor in lieu of the Bank Guarantee for release of 50% Retention Money. In case of the requirement, the Bank Guarantee/FDR shall be extended by the contractor, for the period as directed by the Engineer/Employer.

- iii) Where different defect liability periods are applicable to different parts of the works, the expression - "expiration of the defect liability period" shall for the purpose of this clause be deemed to mean the expiry of last of such periods.

15.0 PERFORMANCE BANK GAURENTEE.

- a) The successful bidder shall have to submit a Performance Guarantee (PG) within 30 (thirty) days from the date of issue of Letter of Acceptance (LOA). Extension of time for submission of PG beyond 30 (thirty) days and up to 60 (sixty) days from the date of issue of LOA may be given by the Authority who is competent to sign the contract agreement. However, a penal interest of 15% (Fifteen) per annum shall be charged for the delay beyond 30 (thirty) days, i.e. from 31st day after the date of issue of LOA. In case the contractor fails to submit the requisite PG even after 60 (sixty) days from the date of issue of LOA, the contract shall be terminated duly forfeiting EMD and other dues, if any payable against that contract. The failed contractor shall be debarred from participating in re-tender for that work. First on A/C bill be released after submission of PBG.
- b) The successful bidder shall submit a Performance Guarantee (PG) in the form of Irrevocable Bank Guarantee or Fixed Deposit Receipt (FDR) (free from any encumbrance) endorsed/ pledged in favour of DFCCIL amounting to 5% of the contract value.
- c) The Performance Guarantee shall be submitted by the successful bidder after the letter of acceptance has been issued, but before signing of the agreement. This PG shall be initially valid up to the stipulated date of completion plus 60 days beyond that. In case, the time for completion of work gets extended, the contractor shall get the validity of Performance Guarantee extended to cover such extended time for completion of work plus 60 days.
- d) The value of PG to be submitted by the Contractor will not change for variation up to 25% (either increase or decrease). In case during the course of execution, value of contract increases by more than 25% of the original contract value, an additional Performance

Guarantee amount to 5% (five percent) for the excess value over the original contract value should be deposited by the contractor.

- e) The Performance Guarantee (PG) shall be released after the physical completion of the work based on the 'Completion Certificate' issued by the competent authority stating that the contractor has completed the work in all respects satisfactorily.
- f) Wherever the contract is rescinded, the security deposit shall be forfeited and the Performance Guarantee shall be encashed and the balance work shall be got done independently without risk and cost of the failed contractor. The failed contractor shall be debarred from participating in the tender for executing the balance work.
- g) The Engineer shall not make a claim under the Performance Guarantee except for amounts to which DFCCIL is entitled under the contract (not withstanding and /or without prejudice to any other provisions in the contract agreement) in the event of:
 - i) Failure by the contractor to extend the validity of the Performance Guarantee as described herein above, in which event the Engineer may claim the full amount of the Performance Guarantee.
 - ii) Failure by the contractor to pay DFCCIL any amount due, either as agreed by the contractor or determined under any of the Clauses/Conditions of the agreement, within 30 days of the service of notice to this effect by Engineer.
 - iii) The contract being determined or rescinded under provision of the GCC /SCC the Performance Guarantee shall be forfeited in full and shall be absolutely at the disposal of DFCCIL.

16.0 LIQUIDATED DAMAGES

If the Contractor fails to maintain the required progress of work in terms of relevant clause and eventually delays the completion of work due to faults and shortcomings attributable to the contractor beyond the completion time as specified in Appendix to Tender or any extended period thereof, the Engineer-in-Charge shall be at liberty to levy liquidated damages on the contractor at ½ (one half) percent of contract value for each week of delay or part thereof subject to a **maximum of 5% of the contract value**.

The amount of liquidated damages may be adjusted or set off against any sum payable to the Contractor under this or any other contract with DFCCIL.

17.0 DETERMINATION OF CONTRACT DUE TO CONTRACTOR'S DEFAULT

17.1 Conditions leading to determination of contract

(i) If the Contractor

- a. becomes bankrupt or insolvent, or,
- b. makes arrangements with or assignment in favour of his creditor, or agrees to carry out the contract under a committee of inspection of his creditors or
- c. being a company or corporation goes into liquidation by a resolution passed by the Board of Directors/ General Body of the share-holders or as a result of court order (other than voluntary liquidation for the purpose of amalgamation or reconstruction) ; or
- d. has execution levied on his goods or property or the works, or
- e. assigns or sublets the contract or any part thereof otherwise than as provided for under conditions of this contract, or
- f. abandons the contract, or
- g. persistently disregards instructions of the Engineer or contravenes any provisions of the contract, or
- h. fails to adhere to the agreed programme of work or fails to complete the works or parts of the works within the stipulated or extended period of completion, or is unlikely to complete the whole work or part thereof within time because of poor record of progress; or
- i. fails to take steps to employ competent and/ or additional staff and labour, or
- j. fails to afford the Engineer or his representative proper facilities for inspecting the works or any part thereof, or
- k. promises, offers or gives any bribe, commission, gift or advantage, either himself or through his partners, agents or servants to any officer or employee of the Engineer or the Employer, or to any person on their behalf, in relation to obtaining or execution of this or any other contract with the Employer, or
- l. Suppresses or gives wrong information while submitting the tender.

In any such case the Engineer on behalf of the Employer may serve the Contractor with a notice in writing to that effect and if the Contractor does not, within 7 days after delivery to him of such notice, proceed to make good his default in so far as the same is capable of being made good, and carry on the work or comply with such instructions as aforesaid to the entire satisfaction of the Engineer, the Employer shall be entitled after giving 48 hours notice in writing to terminate the contract, as a whole or in part or parts (as may be specified in such notice).

- ii. In such a case of termination, the Employer/Engineer may adopt the following courses.
 - a) Measure up whole or part of the work from which the Contractor has been removed, and get it completed by another Contractor. The

manner and method in which such work is to be completed, shall be entirely at the discretion of the Engineer whose decision shall be final and binding.

- b) Carry out the whole or part of the work from which the Contractor has been removed, by the employment of the required labour, materials, plants and equipment and other resources.

17.2 Entitlement of Employer/Engineer:

In cases described in sub-clause 17.1 (ii) above, the Employer/Engineer shall be entitled to:

- a. Forfeit the whole or such portion of the Performance Security amount, as he may deem fit, and
- b. Recover from the Contractor the cost of carrying out the balance work in excess of the sum, which he would have been paid, according to the certificate of the Engineer, if the works had been carried out and completed by the Contractor under the terms of the contract. Such certificate shall be final and binding upon the Contractor. The amount to be recovered may be deducted by the Employer/Engineer from the retention money or any other moneys due to the Contractor alone or jointly under this or any other contract.

18.0 DETERMINATION OF CONTRACT ON EMPLOYER / ENGINEER'S ACCOUNT:

The Employer/Engineer shall be entitled to determinate the contract, at any time, should, in the Employer/Engineer's opinion, the cessation of works becomes necessary, owing to paucity of funds or due to court orders or from any other cause whatsoever. Notice in writing from the Employer/Engineer of such termination and reasons therefore, shall be conclusive evidence thereof. In such a case, the value of approved materials actually brought to the site and of work done upto date by the Contractor, shall be paid for in full by the Employer/Engineer, at rates specified in the contract.

In case of determination of contract on Employer/Engineer's account as described above, the claims of the Contractor towards expenditure incurred by him in the expectation of completing the whole works, shall be admitted and considered for payment as deemed reasonable and are supported by the documents/vouchers etc. to the satisfaction of Employer/Engineer. The decision of the Employer/Engineer on the necessity and propriety of such expenditure shall be final and conclusive.

However, the Contractor shall have no claim to any payment of compensation or otherwise, on account of any profit or advantage which he might have derived from the execution of the work in full but which he could not in consequence of determination of contract under this clause.

The amount to be recovered from the Contractor shall be decided by the Engineer whose decision in this regard shall be final and binding. The Contractor shall have to pay back un-recovered portion of advances made to him, together with accrued interest thereon. In case, the Contractor defaults, the Engineer shall recover the amounts from any payment due to the Contractor, or from the Performance Security or by encashing the Bank Guarantees given by the Contractor for securing the advances or for any other purpose. This is without prejudice to other remedies available to the Employer/Engineer.

19.0 DEATH OF CONTRACTOR/ PARTNER

If the Contractor is an individual or a sole proprietary concern, and the individual or a sole proprietor dies, or if the Contractor is a partnership concern and one of the partners dies, in that case, unless the Employer/Engineer is satisfied that the legal representative of the individual Contractor or of the sole proprietor, as the case may be, or in the case of partnership firm, all surviving partners are capable of carrying out and completing the contract, the Employer/Engineer shall be entitled to rescind the contract as to its incomplete part. In that event, the Employer/Engineer shall not be liable to pay any compensation to the legal heirs of the deceased Contractor and / or to the surviving partners of the Contractor's firm, on account of such cancellation of contract. The Engineer's decision as to whether the legal representatives of the deceased Contractor or surviving partners of the Contractor are capable of carrying on and completing the contract shall be final and binding on the parties. Provided further that the legal representatives of the deceased Contractor or the surviving partners shall also not be liable to pay any damages, alleged or actually suffered by the Employer/Engineer, in respect of incomplete part of the contract. Any liability incurred by the deceased Contractor, or by the deceased partner of the contracting firm, before his death, shall be recovered from the legal representatives of the deceased Contractor or from the surviving partners of the said contracting firm as the case may be.

20.0 SETTLEMENT OF DISPUTES

20.1 All disputes or differences of any kind whatsoever that may arise between the Employer/Engineer and the Contractor in connection with or arising out of the contract or subject matter thereof or the execution of works, whether during the progress of works or after their completion, whether before or after determination of contract shall be settled as under:-

20.2 Mutual Settlement

All such disputes or differences shall in the first place be referred by the Contractor to the Employer in writing for resolving the same through mutual discussions, negotiations, deliberation etc. associating representatives from both the sides and concerted efforts shall be made for reaching amicable settlement of disputes or differences.

20.3 Conciliation/Arbitration

- i) It is a term of this contract that Conciliation/Arbitration of disputes shall not be commenced unless an attempt has first been made by the parties to settle such disputes through mutual settlement.
 - ii) If the Contractor is not satisfied with the settlement by the Employer on any matter in question, disputes or differences, the Contractor may refer to the Managing Director of the Employer in writing to settle such disputes or differences through Conciliation or Arbitration provided that the demand for Conciliation or Arbitration shall specify the matters, which are in question or subject of the disputes or differences as also the amount of claim, item wise. Only such dispute(s) or difference(s) in respect of which the demand has been made, together with counter claims of the Employer shall be referred to Conciliator or Arbitrator as the case may be and other matters shall not be included in the reference.
 - iii) Managing Director of the Employer may appoint Conciliator/s or Arbitrator/s as the case may be. For this purpose a panel of names will be sent to the Contractor. Such persons may be working /retired employees of the Employer or working /retired employees of Railway, who had not been connected with the work.
- This is an agreed term of this contract that the Conciliator/s and Arbitrator/s shall be appointed from the list of working /retired employees of DFCCIL or working /retired employees of Railway.

Two stages

Disputes shall be settled through two stages:

- Conciliation procedures as established by the “The Arbitration and Conciliation Act 1996” (as amended from time to time) and in accordance with this Clause. In the event this procedure fails to resolve the dispute.
- Arbitration procedure undertaken as provided by the “The Arbitration and Conciliation Act -1996” (as amended from time to time) and in accordance with this Clause.

a) Conciliation

- 1) Within 60 days of receipt of Notice of Dispute, either party shall refer the matter in dispute to conciliation.
- 2) Conciliation proceedings shall be initiated within 30 days of one party inviting the other in writing to Conciliation. Conciliation shall commence when the other party accepts in writing this invitation. If the invitation is not accepted then Conciliation shall not take place. If the party initiating conciliation does not receive a reply within 30

days from the date on which he sends the invitation he may elect to treat this as a rejection of the invitation to conciliate and inform the other party accordingly.

- 3) The Conciliation shall be undertaken by one Conciliator selected from a panel of Conciliators maintained by the Employer. The Conciliator shall assist the parties to reach an amicable settlement in an independent and impartial manner.
- 4) As far as possible, the conciliation proceedings should be completed within 60 days of the receipt of notice by the Conciliator.
- 5) In case, the efforts to resolve all or any of the disputes through Conciliation fails, the Contractor may refer to the Managing Director of the Employer for settlement of such disputes or differences through Arbitration. No disputes or differences shall be referred to Arbitration after expiry of 60 days from the date of notification of failure of Conciliation.

b) Arbitration

- 1) In case where the total value of all the claims in question is less than 1000000/- (Rupees Ten lakhs only) the arbitral tribunal will consist of a sole arbitrator.
- 2) In case where the total value of all the claims in question is more than 1000000/- (Rupees Ten lakhs only) the arbitral tribunal will consist of panel of three serving/retired officers.
- 3) MD/DFCCIL shall appoint arbitrators from the approved pannel.
- 4) All other condition for arbitration in general shall be as per Indian Railway Standard General Condition of contract July 2013 with latest amendments.
- iv) The Conciliation and/or Arbitration proceedings shall be governed by the provisions of the Indian Arbitration and Conciliation Act 1996 or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the conciliation and arbitration proceedings under this clause.
- v) The language of proceedings, documents or communications shall be in English and the award shall be made in English in writing.
- vi) The Conciliation and Arbitration hearings shall be held in Kanpur only. The Arbitrators shall always give item-wise and reasoned awards in all cases where the total claim exceeds Rs. Ten lakh

- vii) The fees and other charges of the Conciliator/Arbitrator shall be as per the scales fixed by the Employer and shall be shared equally between the Employer and the Contractor.

20.4 Settlement through Court

It is a term of this contract that the Contractor shall not approach any Court of Law for settlement of such disputes or differences unless an attempt has first been made by the parties to settle such disputes or differences through clauses 19.

20.5 No suspension of work

The obligations of the Employer, the Engineer and the Contractor shall not be altered by reasons of conciliation/arbitration being conducted during the progress of works. Neither party shall be entitled to suspend the work on account of conciliation/arbitration and payments to the Contractor shall continue to be made in terms of the contract.

20.6 Award to be final and binding on all parties

An arbitral award shall be final and binding on all parties, as per provision of Arbitration and Conciliation Act, 1996.

20.7 Exception
